

FENCE PAINTING

PERMISSION FORM

Dear Ransom Place Homeowner,

We noticed your lovely wood fence! Fences provide security, privacy, and curb appeal. They are great neighborhood assets. Routine maintenance can keep them strong and looking good for years. Paint prevents damage from rot and insects and helps to slow decomposition. Ransom Place Neighborhood Association is organizing a fence painting campaign and will be providing paint, brushes, and volunteers to help paint fences for those who are interested.

Materials Provided

- High Quality White Exterior Paint
- Brushes
- Plastic Drop Cloths

Tools Available to Borrow

- Paint Trays
- Paint Scrapers
- Canvas Drop Cloths

Although volunteers will attempt to scrape peeling paint and make repairs, homeowners who would like a perfect fence finish should make repairs and clear brush before the painting day. Volunteers are not liable for any dust, mildew, fungus, faults, loose materials, or defects of the fence. Volunteers will make every effort to make paint the fence evenly with full coverage. Homeowners will not hold volunteers or RPNA liable for dripped or spilled paint.
